VOLUME 1

01 **Planet Earth II Suite**

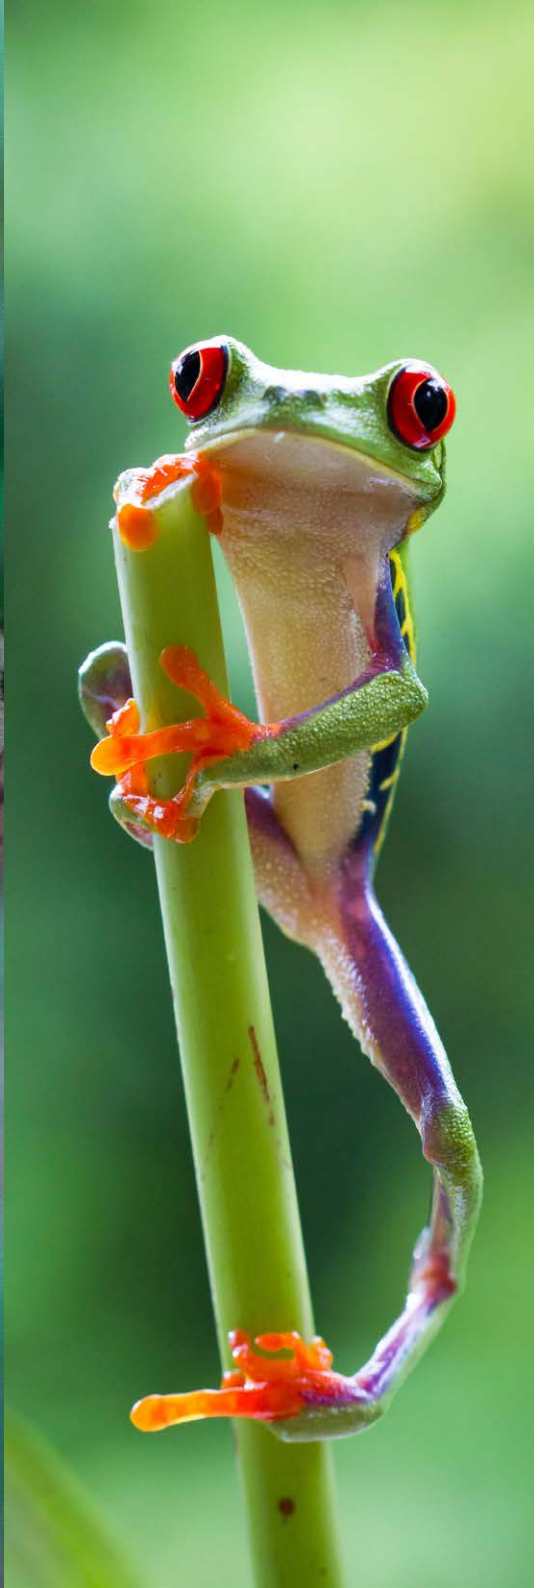
ISLANDS

02 **The Sloth**
03 **Home To Dragons**
04 **Albatross Dance**
05 **Racer Snakes vs Iguanas**
06 **Chinstrap Penguins**

Previous page: A hatchling marine iguana sits on the head of an adult at Cape Douglas, on the island of Fernandina.

Previous page: The march of the red crabs covers the whole of Christmas Island and is one of the greatest natural spectacles on Earth.

This page: Sloths are adept swimmers, as this pygmy three-toed sloth demonstrates. Found only on the tiny island of Escudo de Veraguas, Panama.



JUNGLES

07 **Singing Indri**
08 **Competing Hummingbirds**
09 **Life In The Canopy**
10 **Jungle Weather**
11 **Night Crawlers**
12 **World of Bioluminescence**
13 **Wilson's Bird-of-Paradise**
14 **Something Worth Protecting**

Male Red Bird of Paradise displaying in the trees of West Papua.

Jaguar resting in the shade of the riverbank - but always alert for prey that might come past.

Red-eyed tree frog takes a rest in the Jungles of Costa Rica.

DESERTS

15 **Life Without Water**
16 **Monsoon Deserts/Canyonlands**
17 **Lions vs Giraffe**
18 **The Butcher Bird**
19 **Wild Horses**
20 **Desert Nightlife/Golden Mole**
21 **Long-Eared Bat vs Scorpion**
22 **Early Morning Fog**

When two evenly matched stallions come together, such as in the breeding season or around drying up waterholes, the results can often be short but explosively violent fights.

Sand grouse take to the wing to get out of the way of these fighting Oryx, or gemsbok, at a waterhole in Namibia's Namib Rand Nature Reserve.

VOLUME 2

MOUNTAINS

01 **Roof Of The World**
02 **Peaks of North America**
03 **The Ibex**
04 **The Himalayas**
05 **Flight Over Alps**
06 **Ice Skating Flamingos**
07 **Dancing Bears**
08 **Tenacious Bobcat**
09 **Garden of Ice**
10 **Snow Leopards**
11 **Savage Beauty**

Previous page: A chain of salt lakes, found at over 4000m high in the Andes, provide a safe refuge for flamingo colonies. They gather here to breed, first performing a peculiar parade dance.

This page: Golden eagles are one of the few birds tough enough to survive the mountain winter.

GRASSLANDS

12 **Nomadic Life**
13 **Hunting Buffalo Herds**
14 **The Okavango**
15 **Carmine Bee Eaters**
16 **Industrious Insects**
17 **The Great Migration**

A serval cat in South Africa leaps through the air to attack her rodent prey. She sports the largest ears and longest legs of any cat in the world relative to body size.

CITIES

18 **The Unnatural Habitat**
19 **Langurs of Jodhpur**
20 **Temple Gardens**
21 **Market Thieves**
22 **Illuminated**
23 **City Skylines**
24 **Starlings**
25 **Toronto Raccoons**
26 **We Are The Designers**
27 **Epilogue**

This page: These Hanuman langurs have free roam in the blue city of Jodhpur, India. Treated as religious deities they are fed and well looked after by the city's inhabitants.

Next page: A red fox uses stealth to hunt for voles beneath thick snow in Yellowstone National Park, USA. He treads carefully so as not to be heard before making his attack.
